## 5 DAYS TO A PERFECT NIGHT'S SLEEP FOR YOUR CHILD EBOOKS 2019

Author: Eduard Estivill u0026 Rachel Anderson

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

u003cbu003eAn international phenomenon now available in America for the first time, this quick, no-nonsense guide is all you need to get your child to sleep through the night (pillow not included).u003c/bu003eu003cbr /u003e u0026#xa0;u003cbr /u003e These days, most books on improving your child's sleep take either a tough-love approach (ignore crying) or a soothing strategy (offer continuous comfort). But now an internationally renowned sleep expert provides a middle-ground method that will have your child sleeping through the night at any age. Dr. Eduard Estivill's no-fail technique focuses on a mixture of authority, ritual, and reward. Parents can end negative cycles of resistance and wakefulness and feel as rested as their child will by following these expert tips: u003cbr /u003e u0026#xa0;u003cbr /u003e □ Adopt a firm and confident attitude (your child will pick up on your mood). u003cbr /u003e □ Use meals as a cue to announce your child's next nap or nighttime sleep. u003cbr /u003e □ Incorporate appropriate elements (such as a stuffed animal or a pacifier) at bedtime so your child will not rely on you as a vital part of the sleep process. u003cbr /u003e □ Reinforce the contrast between light (day) and dark (night). u003cbr /u003e □ Never punish children by making them go to bed (it sends the wrong message about sleep time). u003cbr /u003e □ Learn what to say before—and after—the light is turned off. u003cbr /u003e u0026#xa0;u003cbr /u003e Complete with special techniques to use with newborns, plus an invaluable question-and-answer section that addresses specific concerns (children sleeping in their parents' bed, how divorced parents can work together, special-needs children), this sanity-saving guide promises sweet dreams for all.
